MARYAM NAJVAN

BRIDAL · MADE TO ORDER
DOWNTOWN LOS ANGELES

*V* FINISHED · A PEAR DIAMOND WITH TWO ETERNITY BANDS

ENGAGEMENT AND WEDDING

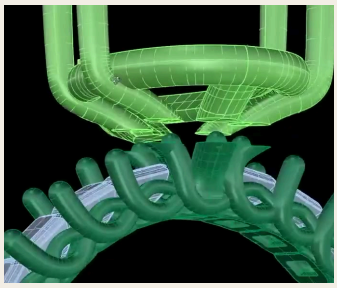

# One ring, made only for the two of you.

Every OXUS bridal piece starts with a talk and a drawing by Maryam Najvan.

She builds it herself in CAD, with the place of every stone. Expert partners in the District cast and set it. She checks every step.

Nothing comes from a catalog. We never make the same piece twice.
